

Goodbye My Love

By: Lamar Simington / Leroy Swearingen / Robert Mosley

Goodbye My Love
Goodbye My Love
Though I Love You Truly
It Was Ment To Be
That I'd Lose Your Love
Goodbye My Love Goodbye

So Long My Love
Be Strong My Love
You've Done Nothing Wrong
This Love Can't Go On
So Take Care My Love
Goodbye My Love, Goodbye

And I Know, That You're Not Happy At All
Any Fool Can Plainly See
And I Know I'm The One You Really Love
But I Can't Go On Sharing You, Sharing You

Goodbye My Love
Don't Cry My Love
I Love You Sincerely
It Just Had To Be
It Hurts Me So Inside To Say Goodbye
Goodbye My Love,
Goodbye, Goodbye, Goodbye
