

Bend It

By: Ken Howard / Alan Blaikley

Bend It, Bend It, Just A Little Bit
And Take It Easy, Show You're Likin' It.
And Lover, You Know That We're Gonna Hit
The Heights 'Cos I'm Sure That We're Made To Fit
Together Just Like Pieces Of A
Jigsaw Puzzle, What's The Hustle.

Bend It, Bend It, Just A Little More
Without You, Baby, I'm So Insecure.
But You Can Make Me Feel That I Am Sure
I've Got A Sickness Only You Can Cure
So Just Relax, There's Stacks Of Time, But Honey
Please Don't Tease Me - Try To Please Me.

Oh-Yeah, That's Good, Oh-Yes, Ah-Yes.

Bend It, Bend It, Just A Little Bit
And Take It Easy, Show You're Likin' It.
And Lover, You Know That We're Gonna Hit
The Heights 'Cos I'm Sure That We're Made To Fit
Together Just Like Pieces Of A
Jigsaw Puzzle, What's The Hustle.

Bend It, Bend It, Just A Little Bit
And Take It Easy, Show You're Likin' It.
And Ahhh... Show Me Now, Yeah That's Right
Ah, Oh Yeah, Yeah
