

Little Miss Mary

By: Roger Greenaway / Roger Cook

Hey There, Little Miss Mary
Don't Be Contrary; I Only Wanna Be Friends With You
Come Out Of Your Garden, Into My Yard
And There's A Lot Of Cultivation To Do, For Me And You
If You Might Tell You Go, Baby Don't Be Slow

Cause Loving Takes A Little Time To Grow

Hey There Little Miss Mary,
You Only Grab What You Sow

Hey There Little Miss Mary
You're So Contrary, That Boy Is Always Trying To Be Nice
Your Flowers Aint Growing
Aint Nothing Showing, To Keep Us Two From Breaking The Ice
I've Told You Twice, If You Might Tell You Go Baby Don't Be Slow

Cause Loving Takes A Little Time To Grow

Mary, Mary, Why Contrary
How Does Your Garden Grow
With Silver Bells And Cockle Shells
Girl You Got To Tell Me It's Yes Or No

Hey There Little Miss Mary,
You Only Grab What You Sow

I've Told You Twice, If You Might Tell You Go Baby Don't Be Slow

Cause Loving Takes A Little Time To Grow

Hey There Little Miss Mary,
You Only Grab What You Sow

You Only Grab What You Sow, Oh Yeah
You Only Grab What You Sow
