

Without Your Love

By: Cees Veerman

Every Night When The Rain Is Falling
A Million Raindrops Keep On Calling Your Name
It's Every Night The Same

Every Day I See Lovers Walking
I Know Their Talking 'Cause We Were Talking The Same
It's Just A Lovers Game

Baby, For Me It Was More
Can't You Be Like Before
My One And Only
Don't Leave Me Lonely
Without Your Love

Every Night When The Moon Is Shining
I Hope To Find In Her Silver Lining Your Name
It's Every Night The Same

Baby, For Me It Was More
Can't You Be Like Before
My One And Only
Don't Leave Me Lonely
Without Your Love
