

Sure He Is A Cat

By: Roger Greenaway / Roger Cook

Sure He's A Cat
Nobody's Gonna Argue With That
Sure He's A Creamer
A Tall Walking Feminine Dreamer
What Have I Got To Compensate
For A Looking And A Manner Like That
I've Got Love For You Baby
A Lovin' Like You Wouldn't Believe

Sure He'll Go Far
Looking Like A Movie Star
And I Understand
What Makes You Wanna Hold His Hand
But You Gonna Find When The Kissing Stucks
That The Boy Ain't Gonna Look Like Me
I've Got Love For You Baby
A Lovin' Like You Wouldn't Believe

He Is Such A Pretty Boy
A Some Fine Mama's Pride And Joy
But Have You Noticed The Way He Walks
He Wiggles And He Giggles When He Talks, Oh Yeah, But,

Sure He's A Cat
Nobody's Gonna Argue With That
Sure He's A Creamer
A Tall Walking Feminine Dreamer
But If You Wanna Find A Love That's Good
You'd Better Take Another Look At Me
I've Got Love For You Baby
A Lovin' Like You Wouldn't Believe

Sure He's A Cat
Nobody's Gonna Argue With That
Sure He's A Creamer
A Tall Walking Feminine Dreamer
