

But Tomorrow

By: Cees Veerman

Sometimes I Realise That I've Been
Much Too Hard To You Girl
But Now I See That I Love You More
Than Anyone Can Do Girl

But Tomorrow, Yeah Tomorrow
All The Quarrels Will Be Forgotten
But Tomorrow, Yeah Tomorrow
All The Troubles Will Fade Away

Tomorrow We'll Meet Again
And Won't Look Back
To What We've Done Before
Tomorrow The Rain Will Stop
The Sun Will Shine
And You'll Be Mine Forevermore

Hear What I Say I Won't Hurt You
Anymore In Any Way
We'll Start A New And You Will See
How Sweet And Tender My Love Can Be

But Tomorrow, Yeah Tomorrow
All The Quarrels Will Be Forgotten
But Tomorrow, Yeah Tomorrow
All The Troubles Will Fade Away
