

Vive L'amour

By: V. Millrose / M. Barkan

The French Have A Simple Way
Of Chasing The Blues Away
Baby It's Vive L'amour
When Things Just Ain't Going Right
They Work It Out At Night
Baby It's Vive L'amour

If You Need A Translation
Love Is The Same As L'amour
But When It's Preceded By Vive
Baby It Means So Much More
So Vive L'amour
Vive L'amour, Vive L'amour Yeah
Vive L'amour, Vive L'amour Yeah

Let Me Feel Your Lips On Mine
And We'll Make The Love Light Shine
Brighter Than Ever Before
Let Me Love You All The Way
And You'll Know Why Frenchman Say
Vive, Vive L'amour

If You Need A Translation
Love Is The Same As L'amour
But When It's Preceded By Vive
Baby It Means So Much More
So Vive L'amour
Vive L'amour, Vive L'amour Yeah
Vive L'amour, Vive L'amour Yeah

Vive L'amour, Yeah, Yeah, Yeah
Vive L'amour, Yeah, Yeah, Yeah
Vive L'amour, Yeah, Yeah, Yeah
Vive L'amour, Yeah, Yeah, Yeah
