

How Could I Be So Blind

By: Jaap Schilder

This Hurting Feeling, Is Blowing Up My Mind
And I Know, I Can't Hide My Tears Inside
How Could I, Girl, How Could I Be So Blind

I Can Hardly Bear To Know, That You're That Kind Of Girl
Never, Never, Never, Never Gussed That You Would Be Untrue
How Could I, Oh, How Could I Ever Be So Blind

Baby, Why Not Tell Me, Where I Went Wrong
Oh Yes You Tell Me
Life's Been So Beautiful, Why Can't We Try A New
Oh, Don't Run Away, Oh No No No No No
Oh Darling, Oh Darling
How Can I Ever Mmm Ever Make You Stay
And Get Together, To Make Two Again
Oh Yes We Can, Mmmm

Staring At Nowhere, Searching In Vain
Flash-backing Dreams Just Cause Me Pain
How Could I, Baby, How Could I Ever Be So Blind

Mmm, Oh Baby, How Could I Ever Be So Blind
Baby Baby, Don't Tell Me
