

Rainbow Tree

By: Mizrahi / Laguna

It's No Use
The Time Is Wrong
The Place Not Right

Look And Smile And Realise
The Life Is Free, And You Can See
Further Than You Otherwise
Would Even Look, You'd Never See

Time And Place
Is Only Something Your Mind Creates
Only Boundaries Your Mind Makes

Now You Envy Children Picking
Rainbows Of A Rainbow Tree
You Would Like To Pick One Too
But Time And Place Is Wrong For You

Time And Place
Is Only Something Your Mind Creates
Only Boundaries Your Mind Makes

Children Starve For Centuries
You Hear Them Beg Or Crying' Please
Children Cry For Centuries
Why Can't We Keep Our Rainbow Tree

Time And Place
Is Only Something Your Mind Creates
Only Boundaries Your Mind Makes
Time And Place
Only Something Your Mind Creates
Time And Place
Only Boundaries Your Mind Makes
Time And Place
Only Something You Mind Creates
