

Excuse Me

By: D & D Addrissi

Excuse Me, But Would You Repeat That Phrase
I Could Have Sworn I Heard You Say
You Don't Care Anymore

Excuse Me, But I Can't Believe My Ears
You Mean, After All These Years
You Just Don't Care Anymore

You Can't Mean It
Look At Me And Say You're Really Through
Oh Now I See
When You Look At Me That Way
Then Suddenly I Know It's True

Excuse Me, I Can't Seem To Find The Door
And My Feet Don't Feel The Floor
For My Legs Are Numb And Weak
And My Throat's Too Dry To Speak
Though My Heart Wants So To Scream
Oh This Nightmare's Not A Dream
You Don't Care Anymore
You Just Don't Care Anymore
You Don't Care Anymore
