

I Feel Good, I Feel Bad

By: Travis Lewis / Boomer Clarke

Lalalala... Lalalala...

I Feel Good Today, But It's Annoying Me
Because I've Got No One To Be Enjoying Me
It's Not That Sad Good Days That It's Annoying Me
It's Just That Sunny Day's That It's Destroying Me

I Feel Good, I Feel Bad
I Feel Bad, 'I Feel Good Days' Are The Ones That Make Me Mad
I Think Of All The Good We Had
Then I Feel Good, I Feel Bad

Lalalala... Lalalala...

It Seems That Rainy Days Bring Out The Best In Me
It's So That Sunny Days, That's What Depressing Me
I Hear You Calling North, South East And West In Me
And Though I Am Happy Baby, There's No Rest In Me

I Feel Good, I Feel Bad
I Feel Bad, 'I Feel Good Days' Are The Ones That Make Me Mad
I Think Of All The Good We Had
Then I Feel Good, I Feel Bad

Lalalala... Lalalala...

Lalalala... Lalalala...

I Feel Good, I Feel Bad
I Feel Bad, 'I Feel Good Days' Are The Ones That Make Me Mad
