

I've Gotta Be Goin'

By: J. Farager

Sit Down Take Off Your Hat
Listen To All Of The Things That I've Got On My Mind
Maybe You'll Understand
But I Know It Has To Be Done If You Just Take The Time

I've Gotta Be Goin' Before Roots Start Showing
The Feeling Is Growing Now It's Overflowing

I Must Kick Off My Shoes
Gotta Know Just How It Feels To Simply Move Around
Try Not To Feel So Sad
After All I'll Be In Touch No Matter Where I'm Bound

I've Gotta Be Goin' Before Roots Start Showing
The Feeling Is Growing Now It's Overflowing

So Now I'm On My Way
Don't Be Shocked If You Awake To Find That I Have Gone

I've Gotta Be Goin' Before Roots Start Showing
The Feeling Is Growing Now It's Overflowing

Goin'

I've Gotta Be Goin' I've Gotta Be Goin' I've Gotta Be Be Goin'
I've Gotta Be Goin' I've Gotta Be Goin' I've Gotta Be Be Goin'
