

# **Mr. In Between**

**By: John Meager**

So You Had A High Class Education  
And You Love The Girl Next Door  
When She Waves You From The Station  
You Know You Love Her Ever More  
But Soon You Are In Between  
At Love And Girl And Everywhere  
There Are Sights You've Never Seen  
Can You Really Go Back There

Mister In Between  
Who You Gonna Tell Your Troubles To  
Mister In Between  
Where You Gonna Go, Do You Really Know  
What's Happening To You

So You Had A High Class Education  
And You're Sitting In A Swivel Chair  
Does It Fill You With Delation  
Are You Feeling In Dispair  
So Soon You Are In Between  
At Love And Girl And Everywhere  
There Are Sights You've Never Seen  
Can You Ever Go Back There

Mister In Between  
Who You Gonna Tell Your Troubles To  
Mister In Between  
Where You Gonna Go, Do You Really Know  
What's Happening To You
