

# Why Baby Why

By: Reed / Mason

Love, You Think Would Last  
Can Run Away, Become The Past  
It Can Be Like The Setting Sun  
That Fades Away When The Day Is Done

Why Baby Why  
Did You Take My Love And Loose It  
Why Baby Why  
Why Did You Ever Choose It  
Why Did You Make Me Cry  
The Day You Turned Away  
I Never Thought You'd Say Goodbye

Now, What Can I Do  
To Find A Life, I Shared With You  
You Said To Me, When We Dare  
We'll Never Part, I Want Your Care

Why Baby Why  
Did You Take My Love And Loose It  
Why Baby Why  
Why Did You Ever Choose It  
Why Did You Make Me Cry  
The Day You Turned Away  
I Never Thought You'd Say Goodbye

Why Did You Make Me Cry  
The Day You Turned Away  
I Never Thought You'd Say Goodbye
