

Blue Horizon

By: L. Collins / J. Green

I Can See Us Drift Apart
Oh My Love Oh Not That
Anything You Do I Dream Of
Maybe It's Just Because I'm In Love

People They Live In Different Ways
Like Sentences In A Book
A Wonderland World Behind Their Eyes
If Only They's Stop And Look

I Looked And Saw But You Did Not
And Keeping Promises You Forgot
The Truth About You And Me
Is Like A Leaf On A Stormy Sea

Blue Horizon In The Dark
