

Where Have I Been Wrong

By: Piet Veerman

I've Searched The Places, I've Searched Them All
Searched Amongst The Faces, Searched Along The Road
Where Am I To Find You, Where Am I To Go
Never Understanding, Why You Walked Out On Me
Please Tell Me, Where Have I Been Wrong

I Walked The Highway's, I Walked Them All
Counting All The Long Days, Ever Since You've Gone
Where Am I To Find You, Where Am I To Go
Never Understanding, Why You Walked Out On Me
Please Tell Me, Where Have I Been Wrong

Where Have I Been Wrong, Where Have I Been Wrong
Am I To Blame, For Loving You
Where Have I Been Wrong, I Can't Go On
I Can't Maintain, With Someone New

I Don't Feel The Cold Rain, I Don't Feel The Wind
Walking Round In Circles, Never Reaching The End
Where Am I To Find You, Where Am I To Go
Never Understanding, Why You Walked Out On Me
Please Tell Me, Where Have I Been Wrong

Where Have I Been Wrong, Where Have I Been Wrong
Am I To Blame, For Loving You
Where Have I Been Wrong, I Can't Go On
I Can't Maintain, With Someone New
