

Phone Call

By: Piet Veerman

You'll Never Know Who I Am
But I Saw You Stop By At Sam's
The Moment I Saw You
I Did Adore You, I Know.
But Somewhere Inside Me
A Strange Feeling Told Me, You'd Go

Away From Me Then And Again
You Will Be Back, Don't Know When
Hoping You're Changing Your Mind I'll Be Waiting Each Day
Till You're Returning, I'll Keep On Yearning Someway

Here I'm Calling, You On The Phone
I Got Your Number Are You Alone

Down There At Sam's
I Saw You The First Time, And I Knew
The Moment I Saw You
I Did Adore You, It's True

Here I'm Calling, You On The Phone
I Got Your Number Are You Alone

Still You Don't Know Who I Am
But I Saw You Stop By At Sam's
