

Five Little Tears

By: Arnold Mühren

There's A Song I Wanna Sing About Her
There Are Words I Wanna Say About Her
You Don't Know Her But I Do
And I Love Her That Is True
There's A Song I Want To Sing About Her

There Has Been A Time That I Was Blind
There Has Been A Time For Me To Find
That The Only One For Me
Was Often Sitting On My Knee
There Has Been A Time That I Was Blind

But Then All At Once
The Door Was Open Wide
I Saw It Never Had Been Locked At All
My New Eyes Met Her's
Waiting There For Me Inside
And She Cried Five Little Tears
For Five Long Sad Wasted Years
