

I Walk Through The Fields

By: Cees Veerman

I Walk Through The Fields With The Sun In My Eyes
Barefoot, I've Got My Shoes In My Hands
I Look At The Sky, See The Bluebirds Flying High
Singing Songs For A Love That Once Was Mine

Then I Close My Eyes, And See Her Face Again
And I Feel Her Lips On Mine
By The Way She Kissed, The Way She Held Me Tight
She Keeps On Running Through My Mind
Keeps On Running Through My Mind

I Walk Through The Night, Don't Feel The Rain On My Head
Don't See The Faces Of People Passing By
I Look At The Sky To Find The Moon Way Up High
To Find The Stars Shining Bright But They're Not There

Then I Close My Eyes, And See Her Face Again
And I Feel Her Lips On Mine
By The Way She Kissed, The Way She Held Me Tight
She Keeps On Running Through My Mind
Keeps On Running Through My Mind

By The Way She Kissed, The Way She Held Me Tight
She Keeps On Running Through My Mind
Keeps On Running Through My Mind
