

Irish

Irish, A Name I Heard Of
She Is, A Girl I Heard Of
She Knows, That I Will Love Her
If She Will Stay
If She Will Stay

I Was Out Of My Mind
When She Was Passing By
I Had Pain, Terrible Pain
I Wish That I Could Say
I Love You, I Need You
Winter Comes Summer Came
The End Is Far Away
Now I'm Waiting All Alone
For A Girl Who'll Never Come
For A Girl Who'll Never Come

Irish, A Name I Heard Of
She Is, A Girl I Heard Of
She Knows, That I Will Love Her
If She Will Stay
If She Will Stay
