

Magical Mystery Morning

By: Arnold Mühren

Mystery Morning Ride

Two Lonely Riders On The Beach

Two Black Horses, One For Each

Something Threatening Fills The Air

Some Rags Of Music Come From Nowhere, Nowhere

Mystery Morning Song

Two Million Voices Seem To Weep

Down From The Ocean Two Miles Deep

And When The Sound Blows Off My Ears

I See A Little Girl Of Two Years, Two Years

Magical Magical Mystery Morning Today

Am I Alive Or Dead Or Sleeping In Some Way

Tutu Tutu Tutu Tutu Tutu Tut Tutu....

Mystery Morning Girl

Walking The Sea Down From The Sun

Spreading Her Arms And Starts To Run

Someone's Reaching Out In Vain

The Girl Is Melting In The Dawn Rain, Dawn Rain

Magical Magical Mystery Morning Today

Am I Alive Or Dead Or Sleeping In Some Way

Tutu Tutu Tutu Tutu Tutu Tut Tutu....
