

Lies

By: Lewis/Clarke

Lies, I Call Them Lies
When They're Different From The Truth
And When They're Coming From You
I Call Them Lies

Pain, I Call It Pain
When The Lies That I Believed
Turn Out To Be A Joke On Me
I Call It Pain

These Are The Words That Describe
All Of The Changes
You Put Me Through
There's One More Word That I Hope
Will Get My Message
Through To You

And That's A Tear, It's Called A Tear
I Took The Lies And Pain Combined
And Now There's Something That I'm Crying
It's Called A Tear
