

A Letter

By: Piet Veerman

Now I've Been Away From You A Long Time
But Is It All Over
Your Love Meant All To Me, It's Never Been
Out Of My Mind

And I've Been Tryin' To Call You Every Day
I Wanna Talk It Over
'Cause Ever Since That Day, You Came My Way
I Can't Forget Us

Ooh, I Keep Yearning For The Day We'll Meet Again Now
Ooh, I Remember All The Days We've Been Together

Every Night I Keep On Tryin' But There Is No Need For Lyin'
I Know I Can't Forget
I Remember All The Times We Spend Walking We Were Happy
I Know I Can't Forget

Now I've Been Sitting Here Writin' You A Letter
I Wanna Come Over
The Shadow Of Your Smile Tells Me That I
I've Been Blind

Ooh, I Keep Yearning For The Day We'll Meet Again Now
Ooh, I Remember All The Days We've Been Together

Every Night I Keep On Tryin' But There Is No Need For Lyin'
I Know I Can't Forget
I Remember All The Times We Spend Walking We Were Happy
I Know I Can't Forget
