

Why Did You Go

By: Piet Veerman / Jaap Schilder

Somehow I Feel That You're Gone
And Now I'll Be All Alone
I Hope That You'll Know About The Way I Feel After All
I'd Like To Hear Why You Had To Go
The Reason You Walked Out On Me I Don't Know
Tell Me Why Did You Go

So Write Me What I've Done Wrong
And Don't Leave Me Waitin' So Long
People, They Told Me They Saw You With Somebody New
I Thought That I Meant Something To You
But Now I Know, My Dream Won't Come True
Tell Me Why Did You Go

I Cannot Understand, Why Did You Never Tell
You Never Told Me Straight, You Found Somebody Else
You Treated Me So Badly, Why Did You Hurt My Pride
My World Broke In Two, When You Stepped Aside

Somehow I Feel That You're Gone
And Now I'll Be All Alone
I Hope That You'll Know About The Way I Feel After All
I'd Like To Hear Why You Had To Go
The Reason You Walked Out On Me I Don't Know
Tell Me Why Did You Go

I Cannot Understand, Why Did You Never Tell
You Never Told Me Straight, You Found Somebody Else
You Treated Me So Badly, Why Did You Hurt My Pride
My World Broke In Two, When You Stepped Aside

So Write Me What I've Done Wrong
And Don't Leave Me Waitin' So Long
People, They Told Me They Saw You With Somebody New
I Thought That I Meant Something To You
But Now I Know, My Dream Won't Come True
Tell Me Why Did You Go
