

# **It's Over Now**

**By: Theo Klouwer**

Can Someone Help Me  
I'm In Dispair  
The Girl I Love  
She Walks Out On Me  
I Know It's Over Now  
I Must Use My Mind  
She's Like a Bird That Flies  
From Man To Man

The Softness Of Her Hair  
The Touch Of Her Hands  
They Can Tell Me Things  
She Don't Want To Share  
I Know It's Over Now  
I Must Use My Mind  
She's Like The Bird That Flies  
From Man To Man

I Know It's Over Now  
I Must Use My Mind  
She's Like The Bird That Flies  
From Man To Man
