

Don't Waste Your Time

By: Piet Veerman

Don't Waste Your Time
With Only Dreaming
'Cause Life Itself
Is Worthwhile Living
If Only You Want To See
Want To See The Sunny Side Of Life Now
I Know That You Gonna See
That You Are Gonna See
The World Is Going Brighter

So Don't You Hang On
To An Old Time Love Affair
Try To Forget
Let's Go To Nowhere
If Only You Want To See
Want To See The Sunny Side Of Life Now
I Know That You Gonna See
That You Are Gonna See
The World Is Going Brighter

Life's Gonna Be So Easy
You're Gonna See, I'm Sure
When You Stop Thinking About Him
While You Walk Out Your Door
Let's Come Together
Then You Will See
Things Will Be Better
Come Try Me

Don't Waste Your Time
With Only Dreaming
'Cause Life Itself
Is Worthwhile Living

Don't Waste Your Time
With Only Dreaming
'Cause Life Itself
Is Worthwhile Living
