

Trying To Explain

By: Piet Veerman

There Will Be A Time That, You'll Find Me Gone
There Will Be A Time And You Know
Though I Can Say There Is, No One But You
There Will Be A Time I'll Have To Go
Ohohoh, I'll Have To Go

I Wish That You Would Try
To Find A Way To Change
Your Way Of Living 'Cause I Know
I Could Not Find It Yet But I Did Try To Change
You've Got To Take Me As I Am
Ohohoh, For What I Am

How Can I Try To Explain
That I Really Wanna Stay
Never Tell Me I'm To Blame
'Cause I Know That We Are Not The Same

Can't You Understand
That I Will Always Try To Keep Us Together
No I Don't Want Our World To Break Down
And I Don't Pretend
When I'm Saying That We Could Grow Better
Let Us Start Again, It's Worthwhile Trying

Can't You Understand
That I Will Always Try To Keep Us Together
No I Don't Want Our World To Break Down
And I Don't Pretend
When I'm Saying That We Could Grow Better
Let Us Start Again, It's Worthwhile Trying, Trying
