

# **You Don't Know Me**

**By: Jaap Schilder / Arnold Mühren / Piet Veerman**

How Could I Have Missed You  
So Many Times Before  
How Could I Not See You  
Though We Share This Second Floor  
Do You Mind If We Walk To Go Down  
Do You Mind If I Join You To Town

Do You Share My Feeling  
It Has Brightened Up My Day  
Just To Know You're Living  
Right In Front Of My Doorway  
Don't You Think Now The World's Looking Bright  
Don't You Think We Could Talk All The Night

You Don't Know Me, You Could Try To Find Out  
I Can Tell You, What I Am All About

Do You Mind If We Walk To Go Down  
Do You Mind If I Join You To Town

You Don't Know Me, You Could Try To Find Out  
I Can Tell You, What I Am All About

How Could I Have Missed You  
So Many Times Before  
How Could I Not See You  
Though We Share This Second Floor

How Could I Have Missed You  
So Many Times Before  
How Could I Not See You  
Though We Share This Second Floor
