

# Dreams

By: Piet Veerman

Wish I Was Upon A Star  
Far Away Up In The Sky  
Beyond The Reach Of Human Mind  
That's Where I Would Like To Be With You  
Wish I Was In The Sea  
Down The Bottom, You And Me  
To See The Colour Of The Water  
That's Where I Would Like To Be With You

In The Sky Or In The Sea  
I Don't Care What It Would Be  
If Only There Were You And I  
We Would Live And Never Die, You And Me  
I Wish That We Had Wings To Fly  
Like The Birds Up In The Sky  
And That We Would Fly Away  
From The Dark Into The Day, You And Me

Wish I Was Gently Floating  
Carried By A Lazy River  
Feel The Magic Of The Silence  
That's Where I Would Like To Be, With You  
I Wish It Was Like A Dream  
Fairytale Would Come To Be  
Reality For You And Me  
I Want To Thank You For Being You, My Love

In The Sky Or In The Sea  
I Don't Care What It Would Be  
If Only There Were You And I  
We Would Live And Never Die, You And Me  
I Wish That We Had Wings To Fly  
Like The Birds Up In The Sky  
And That We Would Fly Away  
From The Dark Into The Day, You And Me
