

Jenny

Jenny I Don't Want To See You Crying
I Don't Want To See Your Tears
You're In Love Or Are You Still Denying
Like You Did For So Many Years
I Am Sure That You Already Know
I Gotta Go, I Gotta Go
I Am Sure That You Already Know
I Gotta Go, I Gotta Go

Is It True You Hate To See Me Going
You Don't Have To Answer Me
'Cause The Kind Look Your Eyes Are Showing
It's Love As Far As I Can See
Oh I'd Like To Stay Here For A While
Until You'd Smile, Until You'd Smile
Oh I'd Like To Stay Here For A While
Until You'd Smile, Until You'd Smile

Jenny Standby, Standby, Please Standby
Jenny Don't Cry, Don't Cry, Please Don't Cry
Standby My Girl For My Love Will Be True
And Our Waiting Will Not Be In Vain
Don't Cry Now Girl, Look Ahead Like I Do
Laugh Away Your Tears Of Loving Pain

Jenny I Don't Want To See You Crying
I Don't Want To See Your Tears
You're In Love Or Are You Still Denying
Like You Did For So Many Years
I Am Sure That You Already Know
I Gotta Go, I Gotta Go
I Am Sure That You Already Know
I Gotta Go, I Gotta Go

Jenny Standby, Standby, Please Standby
Jenny Don't Cry, Don't Cry, Please Don't Cry
Jenny Standby, Standby, Please Standby
Jenny Don't Cry, Don't Cry, Please Don't Cry
Jenny Standby, Standby, Please Standby
Jenny Don't Cry, Don't Cry, Please Don't Cry
