I Remember Still, How I Heard You Say:
“Well I’m Off Today
Isn’t It A Lovely Day To Take You For A Ride
Show Our Country Side
Nothing On Your Mind Just Easy Going”
And Though It Wasn’t Meant At All To Fall In Love At Once
The Beauty Of The Place Just Stole My Heart
I Had Never Seen A Paradise Before

Maribaja Maribaja Like A Little Himalaya
How I Love You Maribaja
When I Think Of You, I Sigh Out
Maribaja Maribaja Made Me Feel A Maharaja
How I Miss You Maribaja I Cry Out

I Remember Still, How You Said That Name
Every-time The Same
When I Asked You: “Say It Once Again It Sounds So Nice
A Name For Paradise”
Then I Realised, How You Did Look At Me
And Though It Wasn’t Meant At All To Fall In Love At Once
The Only Persons There Were You And Me
I Was Adam And The Other One Was Eve

Maribaja Maribaja Like A Little Himalaya
How I Love You Maribaja
When I Think Of You, I Sigh Out
Maribaja Maribaja Made Me Feel A Maharaja
How I Miss You Maribaja I Cry Out

Maribaja Maribaja Like A Little Himalaya
How I Love You Maribaja
When I Think Of You I Sigh Out
