

# Sunshine

By: Jaap Schilder / Cees Veerman

Down In The Country, That's Where I Would Like To Be  
Walking Through The Meadows, With My Baby Feeling Free  
Down In The Country, Every Day Is A Holiday  
Packed My Things And I'll Be On My Way

So Now I'm Going To The Country, Leave The City Streets Behind  
Searching For A Dream, Just To Ease My Restless Mind  
I Don't Care Just Where I'm Going, I Don't Care Just Where I'll Be  
For As Long As We're Together, Just You And Me

Sunshine, You're The Reason I'm Losing My Mind  
Sunshine, Gonna Leave All The Cities Behind  
See The Beauty Of The World, Down In The Country  
Where I Will Be Free

I'm Leaving Early In The Morning, Through The Golden Air I'll Go  
See The Summer's Blooming, Gonna Watch The Rivers Flow  
Down In The Country Every, Day Is A Brand New Day  
Gonna Change My Way Of Living, Live My Life The Easy Way

Sunshine, You're The Reason I'm Losing My Mind  
Sunshine, Gonna Leave All The City's Behind  
See The Beauty Of The World, Down In The Country  
Where I Will Be Free

Down In The Country, That's Where I Would Like To Be  
Walking Through The Meadows, With My Baby Feeling Free  
Down In The Country, Every Day Is A Holiday  
Packed My Things And I'll Be On My Way
