

# Be My Day

By: Larry Murray

Now Rock Me, 'Round The Bay Of Mexico  
Now Roll Me, To The Shores Of Montego Bay, Hey  
Jamaica Lady, Please, Let Me Stay  
Here In Your Warm Brown Arms, Till I Melt Away

Be My Day, Honey Be My Night  
If I Drift Away, Honey Be My Light  
Shine On, Let Your Light Shine On  
And I Will Sail On Home  
Shine On, Let Your Light Shine On  
And I Will Sail On Home

Sing La La La And I'll Sing He Hi Yeah, Yeah, Yeah, Yeah, Yeah  
And We Will Sail On Home  
Sing La La La And I'll Sing He Hi Yeah, Yeah, Yeah, Yeah, Yeah  
And We Will Sail On Home

Be My Day, Honey Be My Night  
If I Drift Away, Honey Be My Light  
Shine On, Let Your Light Shine On  
And I Will Sail On Home  
Shine On, Let Your Light Shine On  
And I Will Sail On Home

Sing La La La And I'll Sing He Hi Yeah, Yeah, Yeah, Yeah, Yeah  
And We Will Sail On Home  
Sing La La La And I'll Sing La La La La La La La La La La La La La La La  
And We Will Sail On Home  
Sing La La La And I'll Sing La La La La La La La La La La La La La La La  
And We Will Sail On Home  
Sing La La La And I'll Sing La La La La La La La La La La La La La La La
