Love In Your Eyes

Girl You're So Young
And Love Is So Easy
Chasing A Dream Is Easy To Do
But What Can I Say To Tell You It's Over
It's Easy To See It Ain't Over For You

      When I See The Love In Your Eyes
      I Start Falling
      I Start Falling
      Girl There's So Much Love In Your Eyes
      And It's Calling Me Back To You

Each Time I Try To Tell You It's Over
The Shadow Of Love Stands In My Way
But When We're Alone And You're Here Beside Me.
It's Easy To Find A Reason To Stay

      When I See The Love In Your Eyes
      I Start Falling
      I Start Falling
      Girl, There's So Much Love In Your Eyes
      And It's Calling Me Back To You

      When I see The Love In Your Eyes
      I Start Falling
      I Start Falling
      Girl, There's So Much Love In Your Eyes
      And It's Calling Me Back To You
