

Moonchild

By: G. Williams / M. Kennedy

For The Magic In You Lies
In A Moment Sweet Surprise
And You're As Strange As The Dark Side Of The Moon
When You Say You're Gonna Stay
And When I Think I've Got My Way
You Start Acting Crazy As A Loon

Moonchild, You Got Me Loving You
Moonchild, I Know That Pretty Soon I'll Be
Oh Yeah, Crazy For You

Moonchild, You Got Me Loving You
Moonchild, I Know That Pretty Soon I'll Be
Oh Yeah, Crazy For You

Well You Always Seem To Be
In A World Of Fantasy
Girl Your Mind Is Light Years From Reality
And The Way Your Mood Can Change
It's Unpredictable As Rain
You're As Wild As A Winters-wind On A Raging Sea

You Make The Devil Cry
An Honest Man Lie
The Sun Rise In The West
You Turn The Night Into Dawn
To Turn Me On
That's Why I Love You Best

Moonchild, You've Got Me Loving You
Moonchild, I Know That Pretty Soon I'll Be
Oh Yeah, Crazy For You
