

# How Did You Feel

By: Arnold Mühren

If You Need Some Time To Find The Words To Explain  
Take It Now Though I'm Afraid It's All In Vain  
Well I Can Hardly See Your Pretty Face But I Know  
That Your Eyes Are Wet And Your Nose Needs A Blow  
Are You Waiting To Hear Me Say  
That I Still Love You Anyway

How Did You Feel This Morning Waking-up But Not With Me  
How Did You Feel This Morning Feeling Other Arms Around You

There's No Doubt That You Were Wrong Last Night While You Tried  
Not To Think About Me With Him At Your Side  
Now The Daylight Made You See Things Clear, Now You Came  
To Confess To Me And Tell Me It's A Shame  
Are You Waiting To Hear Me Say  
That I Still Love You Anyway

How Did You Feel This Morning Waking-up But Not With Me  
How How Did You Feel This Morning Feeling Other Arms Around You  
How Did You Feel This Morning While You Had Your Cup Of Tea  
How Did You Feel This Morning When He Closed The Door Behind You
