

# Like A Spanish Song

By: Larry Murray

Lailailailai....Lailailai..lailai  
Lailailailai

Stranded On The Borderline  
I'm Wondering Which Way To Go  
Back To Where My Heart Is  
Or Fake It For One More Show  
Oh Forget It All, I Know Would Be  
The Best Thing I Could Do  
I Kiss It Off And Wrap It Up  
And Leave It All For You, Yeah

So Take Me If You Want Me  
I Won't Be Here That Long  
But If I'm Gone, May I Linger On  
Your Mind Like A Spanish Song  
Lailailailai....Lailailai..lailai  
Lailailailai  
Lailailailai....Lailailai..lailai  
Lailailailai

Well, Stranded On The Borderline  
You've Got Two Ways To Go  
Now You Can Be Yourself Or Be  
Someone You'd Like To Know  
But To Choose Between The Two  
Is The Hardest Thing To Do  
For No Matter Which Way You Go  
You'll End Up Being You Yeah

So Take Me If You Want Me  
I Won't Be Here That Long  
But If I'm Gone, May I Linger On  
Your Mind Like A Spanish Song  
Lailailailai....Lailailai..lailai  
Lailailailai  
Lailailailai....Lailailai..lailailailai  
Lailailailai
