

Romance

By: J. Shear

Everybody Blows It Sometimes
But Baby Can't You See It Ain't Right
You Lose Every-time You Try To Beat The Night
'Cause It Sneaks Upon You Sometime When You're Alone
And Make You Feel All Uptight

So If You Want Romance, It's All Right
We Can Kick The Shit Out Of The Night
If You Want Romance Baby
Let The Lover In You Come Out

Your Soul Can Fly Baby
When You Got Tired And On Your Mind
And You're Thinking 'Bout Some Dusty Old Town
Just Kick Up The Dust And Step Out New Tonight
You Know You're Looking Real Right

So If You Want Romance, It's All Right
We Can Kick The Shit Out Of The Night
If You Want Romance Baby
Let The Lover In You Come Out

'Cause If You Want Romance, It's All Right
We Can Kick The Shit Out Of The Night
If You Want Romance Baby
Let The Lover In You Come Out

So If You Want Romance, It's All Right
We Can Kick The Shit Out Of The Night
If You Want Romance Baby
Let The Lover In You Come Out

'Cause If You Want Romance, It's All Right
We Can Kick The Shit Out Of The Night
If You Want Romance Baby
Let The Lover In You Come Out
