

# Lonely Christmas

By: Arnold Mühren / Marnec / Piet Veerman / Nail Che

Standing Here Gathered 'Round  
The Good Old Christmas Tree  
Thinking About The Lonely Ones  
Who Got No-One Else To See

All The Lonely Ones Buying Every Year  
Phoney Warehouse Trees  
Drinking Bad One Dollar Wine  
And Dreaming 'Bout How Christmas Eve Could Be

Hey There,  
Someone Must Be Waiting For You Somewhere  
Someone Who May Share  
All The Empty Feelings  
Then Who'll Take Care  
Giving You Some Loving  
Making You Feel Better, For A While

Watching A Tv Show  
Trying To Escape Their Lonely Sorrow  
Being All Alone  
Knowing Things Ain't Changing By Tomorrow

Sitting There All Alone  
Your Shadow On The Wall  
Thinking Hard Of Anyone  
An Old Friend You Can Call

Maybe You Remember Someone  
Someone You Might Try To Call  
Finding Out By Tomorrow  
It Wasn't Really, Really Hard At All

Hey There,  
Someone Must Be Waiting For You Somewhere  
Someone Who May Share  
All The Empty Feelings  
Then Who'll Take Care  
Giving You Some Loving  
Making You Feel Better For A While
