

Merry Christmas Cindy

By: Henny Vrienten

Hello Cindy, Where Have You Been
Almost A Year Ago, You Said Goodbye To Me
And Isn't It, Funny Cindy, On This Very Day
Under The Christmas Tree, You Went Away

But I Wish You Merry Christmas, Happy New Year
And Please Don't Go Away But Try To Stay Here
I Wish You Merry Christmas, Happy New Year
And Please Don't Go Away But Try To Stay Here

Remember The White Snow, How It Made You Cold
I Tried To Keep You Warm Inside, But I've Been Told
That You, Found Another Lover, Living Far Away
That's Where You Went A Year Ago, On Christmas Day

But I Wish You Merry Christmas, Happy New Year
And Please Don't Go Away But Try To Stay Here
I Wish You Merry Christmas, Happy New Year
And Please Don't Go Away But Try To Stay Here

But I Wish You Merry Christmas, Happy New Year
And Please Don't Go Away But Try To Stay Here
I Wish You Merry Christmas, Happy New Year
And Please Don't Go Away But Try To Stay Here

Merry Christmas, Merry Christmas, Merry Christmas, Merry Christmas,
Merry Christmas, Merry Christmas, Merry Christmas, Merry Christmas,
