

# Town's Fair

By: Piet Veerman / Nail Che

Now Everybody's Dancing Down At The Market Square  
'Cause One Time A Year The Town Is Having A Big Fair  
And The Laughter Of The People Around  
Mingle With The Sound Of A Carousel  
Oh While The Band Keeps Playing The Music All Fills The Air

Oho Everyone In Town Is Having Fun Around  
Trying To Forget The Troubles Of Everyday Life  
No One Is Gonna Say; "You're Not Allowed To Play"  
The Role Everybody Wants To Play Once In A While  
Oho Everybody Knows He's An Actor On A Show  
Play Whatever Part You Like

Have A Little Bit Of Fun And Don't Get Away Too Soon  
'Cause You Never Know The Magic Of An Old Time Tune  
Takes You Back To Old Memories  
Makes You Feel Do It All Over Again  
So Come On And Get Together Down At The Square

Oho Everyone In Town Is Having Fun Around  
Trying To Forget The Troubles Of Everyday Life  
No One Is Gonna Say; "You're Not Allowed To Play"  
The Role Everybody Wants To Play Once In A While  
'Cause Everybody Knows He's A Part Of A Show  
You Can Choose To Play Whatever Part You Like  
There's A Time For A Break Now  
There's A Time For A Change Now  
Let It Go, Dance Away Through The Night  
Let It Go, Dance Away Through The Night  
Let It Go, Dance Away Through The Night  
Let It Go, Dance Away Through The Night
