

Tell Me Is It True

By: Cees Veerman

We Were Wandering Along The Highway's
Walk The Dirty Streets Of New York
Dressed In Rags We Had Our Good Times
Tell Me Why, Or Don't You Know
Why You Suddenly Had To Go

You Changed A Lot Not For The Better
You Walked The Streets Like A Movie Star
Dressed In The Latest Fashion Clothes
Tell Me Why, Or Don't You Know
You Don't Want Me Anymore

So Many Times We Were Talking My Dear
About The Good Things In Life
We've Enjoyed Every Moment My Dear
The Times That We Were Man And Wife
Or Was It Just A Dirty Game You Played
Or Just Another Love Affair

Tell Me Is It True, Am I Losing You
It's Just That I Don't Understand
Tell Me Is It True, Am I Losing You
It's Just That I Don't Understand

So Many Times We Were Talking My Dear
About The Good Things In Life
We've Enjoyed Every Moment My Dear
The Times That We Were Man And Wife
Or Was It Just A Dirty Game You Played
Or Just Another Love Affair

Tell Me Is It True, Am I Losing You
It's Just That I Don't Understand
Tell Me Is It True, Am I Losing You
It's Just That I Don't Understand
It's Just That I Don't Understand
It's Just That I Don't Understand
