

Annabell

By: Jaap Schilder

My Friends They Told Me Straight Into My Face
They Saw Her Coming Out From Some Old Dirty Place
Staring Right Ahead Never Said Hello
This Rotten World Is Cruel You Know
Knowing That He's Taking My Baby Right To Hell
The Dealer's Simply Smiling, He's Doing Very Well

I Never Thought She'd Sell Her Soul This Way
I Warned Her Many Times But She Wants Him To Stay
If I Had Known This All Before
I'd Not Have Left Her Side That's For Sure
Knowing That He's Taking My Baby Right To Hell
The Dealer's Simply Smiling, He's Doing Very Well

Annabell Oh Annabell You're Throwing Yourself Right Into Hell
I Try To Help You, You've Lost Control Completely
Annabell Oh Annabell, I Help You Climb Out From This Well
Just Drop The Dope I Care For You Believe Me
