

Nobody Cares

By: Cees Veerman

Yesterday Was Just Like Today
Tomorrow Will Be The Same
There's No Chance To Make A Change
Wonder Who's To Blame
Is It You Or Me
Or That Man Walking There In The Street
Who Does Not Know Of What We See

We Just Talk, Go Out For A Walk
And Look At All Those People
We've Never Seen Before
Who's That Man With Flowers In His Hands
Is He Going To A Wedding Or To A Funeral

Nobody Cares

Yesterday Was Just Like Today
Tomorrow Will Be The Same
There's No Doubt About It
'Cause I Know We're All To Blame

We Just Talk, Go Out For A Walk
And Laugh At All Those People
Running To And Fro
Running Through The Rain
Missing Their Latest Train
They Have To Spend The Night
Out On The Station Floor

It's Gonna Be Cold Outside But Nobody Cares
It's Gonna Be Cold Outside But Nobody Cares
It's Gonna Be Cold Outside But Nobody Cares
