

Lookin' Back Over My Yesterday

Lookin' Back Over My Yesterday

Lord I Wonder Sometimes How Tomorrow May Be
'Cause I Feel Tired Of Walking Through The Cold
Will She Find Me Alone, Such A Long Way From Home
With Only My Memories Of The Good Times

Lookin' Back, Lookin' Back Over My Yesterday
Lord I Do Remember She'll Never Fade Away
The Heartaches I've Been Through All The Love That I Knew
But The Sun Will Shine Where It's Raining Today

Will She Find Me Alone, Such A Long Way From Home
With Only My Memories Of The Good Times

Lookin' Back, Lookin' Back Over My Yesterday
Lord I Do Remember She'll Never Fade Away
The Heartaches I've Been Through All The Love That I Knew
But The Sun Will Shine Where It's Raining Today

Lookin' Back, Lookin' Back Over My Yesterday
Lord I Do Remember She'll Never Fade Away
The Heartaches I've Been Through All The Love That I Knew
But The Sun Will Shine Where It's Raining Today

The Heartaches I've Been Through All The Love That I Knew
But The Sun Will Shine Where It's Raining Today
