

Eleanor

By: Jaap Schilder / Parfitt

You Came To Me And Said You'd Like To Dance
And That Seemed A Rather Strange Thing To Do
I Never Thought That I Could Stand A Chance
With You That Evening

I Thought You Were The Brash And Pushing Kind
They Always Said That You Were Lovable Too
You Are Just The One Who's On My Mind
And Now You're Calling

Eleanor My Life Is Worth Much More Now With You
And The Cost Of Living Seems To Be Losing It's Value

Can't You See That I Have Never Known Love Before
That The World You Live In Doesn't Know My Feelings
You See I'm Pleased That You Did Pass My Door
Show Me What You Feel For Me Till The Morning
I Don't Mind 'Cause I Love You And The Feeling Is Strange
