**By: Traditional**

Little Ship Hurry On, I've Been Away Too Long  
Over The Sea  
There Where The Sun Goes Down, Lives In A Country Town  
My Mary-Lee  
I've Got To Fight The Time, 'Cause When The Clock Strikes Nine  
She'll Marry Me  
Mister Wind Be A Gent, Please Blow Me To My Land  
To Mary-Lee

So Blow Wind Blow, Keep My Little Ship Sailing  
Blow Wind Blow, Bring Me Back Home  
So Blow Wind Blow, I Gotta Keep Sailing  
Blow Wind Blow, I Wanna Be Home  
When The Morning Comes

Go On , Go On My Friend, There I Could See The Land  
We Won The Race  
Blow Just A Little More, Then I Could Step Ashore  
And See Her Face  
Go On A Little While, It's Just Another Mile  
So Don't Give Up  
Look Over There You See, Someone Who Waits For Me  
My Mary-Lee

So Blow Wind Blow, Keep My Little Ship Sailing  
Blow Wind Blow, Bring Me Back Home  
So Blow Wind Blow, I Gotta Keep Sailing  
Blow Wind Blow, I Wanna Be Home  
When The Morning Comes

So Blow Wind Blow, Keep My Little Ship Sailing  
Blow Wind Blow, Bring Me Back Home  
So Blow Wind Blow, I Gotta Keep Sailing  
Blow Wind Blow, I Wanna Be Home  
When The Morning Comes
