

# Ridin' Train

By: Piet Veerman / Nail Che

Rollin' At The Railway Station  
To Another Destination Down The Line  
Getting Tired Of Balin' Hay  
I Quit That Job Yesterday And I'm Feelin' Fine  
Now It Seems So Long Ago  
Since The Day I Said Hello To This Old Town  
But This World It Keeps On Turnin'  
Maybe Someday I Might Be Around  
I Get On Movin'

Ridin' Train Keep Ridin' Through The Pouring Rain  
Headin' For Some Place Out In The Sun  
Ridin' Train Keep Ridin' Carry Me Away  
To A New Horizon, Take Me Away

Can Find No Reason To Hang Around  
But I Keep On Smilin'  
Nothing's Gettin' Me Down

Ridin' Train Keep Ridin' Through The Pouring Rain  
Headin' For Some Place Out In The Sun  
Ridin' Train Keep Ridin' Carry Me Away  
To A New Horizon, Take Me Away  
To A New Horizon, Take Me Away  
To A New Horizon, Take Me Away
