**By: Jaap Schilder / Alan Parfitt**

All The Boys Were Idiots And The Idiots All Left Their Men  
And The Men Stayed Home Started Making Better Plans  
All The Plans Were Innocent Were Innocence Was Not Required  
The Requirements Word For Faith But She Needed Not Desired

And The Daylight Renegated Glory  
So The Glory Was No Longer There  
And The Pilgrims Lost All Sense Of Hurry  
For They New Their Answer Wasn't There

All The Boys Were Wiser As They Came Back To What Was Their Home  
And The Men Were Nowhere Near Rebuilding Rome  
And The World Around Was Dying Slowly  
And The Death Came Forth From The Disease  
Which Had Festered There For Centuries Under The Needs

And The Daylight Renegated Glory  
So The Glory Was No Longer There  
And The Pilgrims Lost All Sense Of Hurry  
For They New Their Answer Wasn't There
