

# Lorene

By: Arnold Mühren / Marnec

Lorene Said She Was Lonely  
“Talk To Me For A While  
They All Seem To Desert Me”  
Lorene Said With A Long Sad Smile

“All Men I Like, They Don’t Love Me”  
That’s What My Lorene Girl Said  
“Only A Brief Wild Affection  
Because Of My New King Size Bed”

Lorene Girl, Lorene Girl, So Sad Lonely And Blue  
Lorene Girl, Lorene Girl, There Ain't Much I Can Do

Lorene Said “I’m So Lonely  
Stay With Me For Tonight  
Help Me, You Know You’re The Only”  
Lorene Said When She Held Me Tight

The Morning After I Woke Up  
I Found So True What She’d Said  
“Only A Brief Wild Affection  
Because Of My New King Size Bed”

Lorene Girl, Lorene Girl, So Sad Lonely And Blue  
Lorene Girl, Lorene Girl, There Ain't Much I Can Do

I Saw The Flowers, Sent By A Henry  
The Pearls That You Wear Came From John  
I Saw The Fur Coat, A Present From Maxwell  
What Arm You Want My Gift On?

Lorene Girl, Lorene Girl, So Sad Lonely And Blue  
Lorene Girl, Lorene Girl, There Ain't Much I Can Do

So Sad Lonely And Blue  
There Ain’t Much I Can Do  
So Sad Lonely
